

Stay safe this winter

Watch your step!

Slips and trips can happen when it's cold, wet, or icy. Here's how you can help keep our school safe this winter!

Walk, don't run

Slow down, especially on wet floors and icy paths.

Wipe your feet

Use the mats when you come in from outside.

Hang your coats.

Keep floors clear and dry.

Look for signs

If you see a wet floor or ice sign, take care!

Tell an adult

If you spot a puddle, spill or icy patch, report it right away.

Help your friends

Remind others to walk safely too.
